Sign Up

Email, password, and full name registration

02

Auto-Confirm

Seamless email verification for instant access

03

Profile Setup

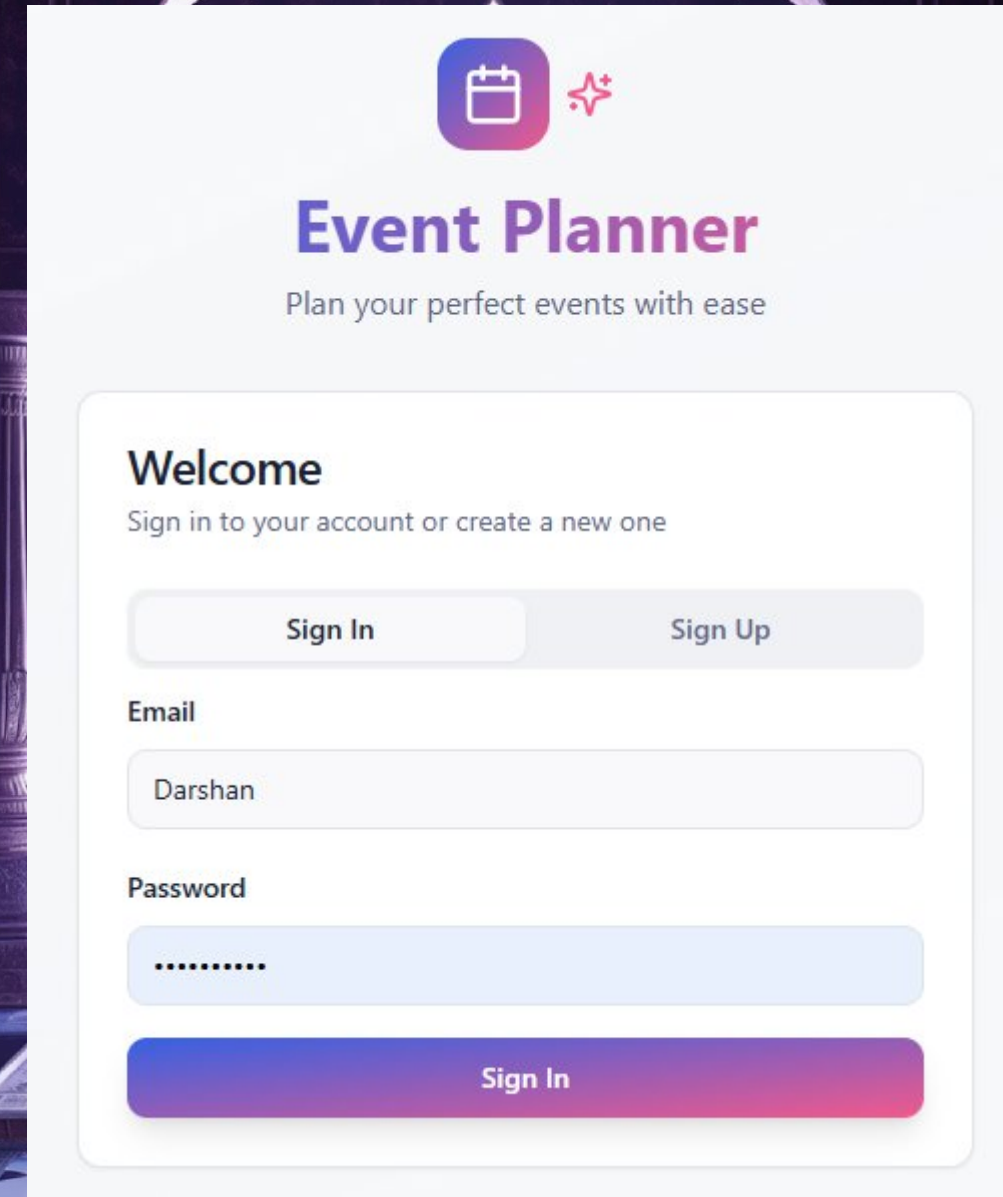

Add phone number and complete profile details

04

Role Assignment

User or Admin access with appropriate permissions

Gradient-themed welcome screen with tabbed interface for intuitive navigation

The image shows a mobile app login screen for 'Event Planner'. At the top, there is a logo consisting of a calendar icon and a star icon. Below the logo, the text 'Event Planner' is displayed in a large, bold, purple font, followed by the tagline 'Plan your perfect events with ease' in a smaller, grey font. The main content area is titled 'Welcome' and includes the instruction 'Sign in to your account or create a new one'. There are two buttons: 'Sign In' and 'Sign Up'. Below these buttons, there are input fields for 'Email' (containing 'Darshan') and 'Password' (masked with dots). A large, gradient-colored 'Sign In' button is at the bottom.
